Dear Chedros,

We are pleased to share with you the **updated practice calendar** for the period **July to December 2025**. As part of our ongoing commitment to nurture group practice and deepen our connection to the Dudjom lineage, the Management Committee has revised the structure of our regular spiritual gatherings.

Updated Practice Structure

- **Tshogkor** practice will be held **once a month**, usually on an auspicious **Saturday or Sunday**.
- **Changpo Jhatshar and Gyezhi** practice will also be held **once a month**, alternating fortnightly with the Tshogkor.
- The **Changpo Jhatshar and Gyezhi** practices will be held in the **evening at 5:00 PM** on the specified dates.

This alternating **fortnightly cycle** allows for a balanced and consistent practice rhythm within the community. We kindly request all members to **mark these dates** and make every effort to attend. Your presence strengthens our spiritual community and the collective merit of our practice.

If you have any questions or wish to assist with set-up, please feel free to contact the Management Committee.

With prayers for your continued Dharma progress,

Management Committee
